

## Quick Eligibility Check

The **Quick Eligibility** Check tab allows you to research the eligibility of a new patient coming into your office. You can enter their insurance information and get back eligibility information within seconds. This feature allows you to check the eligibility without contacting the insurance companies.

The screenshot displays the 'Quick Eligibility' tab in a software application. The interface includes a menu bar (File, View, Send, Setup, Help) and a toolbar. The main area contains several sections: 'Insurance Company' and 'Provider' dropdowns; 'Subscriber Information' with fields for First Name, Middle Name, Last Name, Insurance Member ID, Additional ID, and Additional ID Type; a checkbox for 'Subscriber is Patient'; 'Patient Information' with fields for First Name, Middle Name, Last Name, Address, City, State, Zip, Insurance Member ID, Date of Birth (mm/dd/yyyy), Gender, and Relationship to Insured; and 'Clear' and 'Check Now' buttons. A dashed red line highlights the input fields. Below, a dropdown menu for 'Insurance Company' is expanded, showing a list of insurance providers including American Health Group, Americhoice - New Jersey Medicaid, AZ, Americhoice - New Jersey Medicare, AZ, Americhoice - New York Medicaid, AZ, Americhoice - Pennsylvania Medicaid, AZ, Anthem Health & Life Insurance Company of New Jersey/AH&L/ALTA Health & Life Insurance Company, Assurant Life Insurance Company, and Bell Atlantic. A pink box highlights this dropdown menu.

**Quickly verify the eligibility of a patient without having to create a new record in your PMS system – using few variables of data for numerous Payers!**
